# Senior Spotlight

## Callan Paffrath

I have been skating since I was 3 years old. I enjoy skating as another way to express and challenged myself. I have enjoyed the relationships I had with coaches, Denise Johnson and Nikki Johnson. My favorite memory was when Mary used

me as a ramp when I was a little girl rehearsing for the show. After graduation, I plan to attend UW Stout, where I will pursue retail management and photography. I will also play soccer for the Blue Devils.

## Molly Weinzetl

This is my 3<sup>rd</sup> year skating. I joined the club when I was 15. I have really enjoyed everything I've done with skating. This year I started junior coaching and I think it is really fun to help the younger skaters learn their skills and play games with

them. I hope to someday coach in the future. My favorite memories have been during show performances and at competitions. I really enjoy learning new jumps and spins and I also this year getting to know all the moves and free skaters better. Thanks to all the coaches and board members for everything they do!

## Good Luck!

Good luck to Allison Falken, Kayla Kniefel, Krista Kniefel, Morgan Malo, Meagan Nowariak, Anna Redman, Sydney Sampson and Rachel Smith, who will be competing / testing at the Bend of the River Competition in Mankato on January 9-11.
